

# Rainier Sapin

Junior Web Developer

Aspiring web developer skilled in HTML, CSS, JavaScript, and Python. Recognized for academic excellence on the Dean's List at Don Honorio Ventura State University. Proficient in Webpack and GitHub, seeking opportunities to contribute to dynamic web projects. Eager to grow and innovate in the field of web development.

## **PROJECTS**

Responsive Restaurant Page

Designed a visually appealing restaurant website with dynamic elements for menu display and contact information. Implemented HTML, CSS, and JavaScript to ensure a responsive and engaging user interface.

Dynamic Weather Website

Developed a responsive weather site using HTML, CSS, and JavaScript for an interactive experience. Integrated an API for up-to-date weather information, enhancing user awareness of current conditions.
